

## ***Pavement Condition Rating***

**A two-day course**

**Fee: Free**

**Time: 9:30 am to 5:00 pm**

**Class Size: 25**

**Locations: Classes are held in three locations every spring, in Tacoma and Ellensburg**

---

### **Instructor**

Bob Brooks, WST2 Pavement Technology Engineer

### **Target Audience**

This course is designed for individuals who will be rating the condition of pavements in the field or those who will train their staff in doing the work. Expertise in pavements is not required.

### **Course Description**

Participants will be provided a practical working knowledge of how to rate the condition of roadway pavements in accordance with the standards of the Northwest Pavement Management Association using the *Pavement Surface Condition Field Rating Manual for Asphalt Pavement*.

Upon completion of this course, participants should be able to rate any of the asphalt pavements commonly found in Washington. The rating values obtained using the definitions and methods learned in this course should compare favorably with those obtained and used in the Washington State Pavement Management System. Each participant should be able to perform a pavement condition survey with reasonable objectivity.
